It is my pleasure to introduce you to Dr. Steve Stockard, DPM. He travels to Riverside, Orange, Los Angeles and San Bernardino counties for home and facility visits. He has been a Podiatrist for over 12 years and is trained in all aspects of Podiatry.

If needed, we can supply references to the facilities he provides services for. He works with all types of patients. He treats the client's podiatric needs including:

- Minor wound evaluation and treatment
- Diabetic foot care including Diabetic shoes & a yearly "Comprehensive Diabetic Foot Exam"
- Lower Extremity Edema
- Dermatologic Skin Infections
- General foot care including Fungal nail debridement, reduction of calluses and pre-ulcerous Keratomas, ingrown toenails, and abscesses for qualifying patients with diseases such as Diabetes, PVD, Neuropathy, and Venous Stasis
- Fracture treatment (with the exception of in home x-rays, which would need to be done through the primary doctor or an agency)

We schedule regular appointments every 9-10 weeks. We also strive to be available for on call needs. Typically for emergency needs, he can see patients within 24-48 hours. In order to schedule a patient, I need the following information:

- Patient Name
- Date of birth
- Insurance information
- Facility address, phone number and contact name
- Primary Doctor information

You may fax this information to (714) 908-1970 Attn: Minnie

Dr. Stockard is able to bill Medicare PPO plans. Patients with HMO plans or other insurance, please feel free to speak with us about our cash patient policy.

If you have any questions or need anything, please let me know. I look forward to working with you.

Thank you,
Minnie August
